# THE CREATOR'S CALENDAR

## TIME, RHYTHM & ALIGNMENT - A RESTORATION SERIES

## PART 10 — RETURNING TO ALIGNMENT

(CKO Restoration Series)

Throughout this series, we have:

– examined Scripture
– observed the heavens
– considered patterns
– recognised alignment

Now the question becomes more personal:

- What sets apart a people who fear the Heavenly Father?

Because throughout Scripture:

- His people are not only identified by belief
- They are identified by alignment

## 1. A PEOPLE SET APART

From the beginning, the Heavenly Father called a people:

- To be set apart

Not separate in pride.

- But distinct in obedience

*"You shall be holy, for I am holy."* — Leviticus 11:44

This distinction was not abstract.

It was visible in:

– how they lived
– how they worshipped
– how they kept time

- Time was part of their identity

## 2. WHAT DEFINES THAT DISTINCTION?

A question must be asked honestly:

- If we follow the same systems as the world…
- What sets us apart?

If our worship is sincere…

But our timing is inherited from external systems…

- Where is the visible distinction?

This is not a criticism.

- It is a necessary question

## 3. THE QUESTION OF INHERITANCE

Much has been inherited:

– calendars
– traditions
– observances

Often without asking:

- Who established these patterns?
- And are they aligned with what the Father established?
- Inheritance is not the same as alignment

## 4. THE MARK OF A PEOPLE

Scripture speaks of a mark — not as something external only, but internal and lived.

*"It shall be as a sign... on your hand and between your eyes..."* — Exodus 13:9

This reflects:

– understanding (forehead)
– action (hand)

- What we believe
- And how we live

This is reinforced:

*"Here are those who keep the commandments... and the faith..."* — Revelation 14:12

- The mark is not merely declared
- It is demonstrated

## 5. TIME AS A MARKER OF ALIGNMENT

If time governs:

– worship
– gathering
– obedience

Then time becomes more than structure.

- It becomes a marker

Not of superiority.

- But of alignment
- A people aligned in time...
- Reflect the order of their Creator

## 6. RETURNING TO WHAT WAS ESTABLISHED

Return is not about creating something new.

- It is about restoring what was already established

*"Ask for the ancient paths..."* — Jeremiah 6:16

- Return begins with recognition
- And continues with response

## 7. WHAT RETURN MAY LOOK LIKE

Return does not happen all at once.

It may involve:
– rethinking assumptions
– observing differently
– adjusting gradually

- Restoration is a process

## 8. UNITY AND DISTINCTION

A concern often arises:

- Will this divide people?

True unity is not built on ignoring truth.

- It is built on shared alignment
- Distinction does not destroy unity
- It defines it

## 9. THE ROLE OF LEADERS

Leaders carry responsibility here.

Not to:
❌ enforce prematurely
❌ react defensively
❌ dismiss without study

But to:
✓ examine carefully
✓ guide with humility
✓ remain anchored in Scripture

- Because what is modelled… will be followed

## 10. THE INVITATION

This series does not end with instruction.

It ends with invitation

An invitation to:

– observe
– consider
– realign

Not out of pressure.

But out of conviction

## CONCLUSION

The question remains:

What sets apart a people who belong to the Heavenly Father?

Not only what they believe.

But how they align

If time is part of creation...

And if time governs worship...

Then alignment in time becomes part of identity

Not as a burden

But as a reflection
